Shongwe samanzi

Why Zimbabwe?

Natural Wonder

A UNESCO World Heritage Site and one of the most visited natural destinations in Africa.

Culture & People

Meet the local community and discover the rich culture and its people.

Adventure & Activities

Victoria Falls offers adventure for every traveler.

Rest & Relaxation

After adventure, relaxation awaits you in carefully selected lodges with views of nature.

Highlight: Victoria Falls

One of the seven natural wonders of the world. Victoria Falls — locally known as Mosi-oa-Tunya, "the smoke that thunders" — is one of the most impressive waterfalls on the planet. This trip combines nature, adventure, and relaxation at the heart of Zimbabwe.

BLUEDROPS PARTNER PROGRAM

1,250 points = participation for 1 person. Spots are limited: first come, first served.

A man with a beard, wearing a tan shirt and pants, is crouching in a desert-like environment. He is holding binoculars to his eyes. In front of him, several large, smooth, blue stones are glowing with a bright blue light. The stones are partially submerged in a shallow pool of water. The background shows a concrete wall and a ladder leading up to a higher level. The sky is a mix of purple and blue, suggesting dusk or dawn.
