

BEATBOT AQUASENSE 2

Beatbot

The world's first 3-in-1 robotic pool cleaner with surface parking

RECOMMENDED POOL SIZE (BOTTOM)

300 m²

CLEANING COVERAGE

Floor, walls & waterline

4 CLEANING MODES

Floor, Standard, Area & MultiZone

SINGLE FILTER

150 µm, 2 L

CONNECTIVITY

Wifi + Bluetooth

BATTERY LIFE

- Up to 4 hours floor cleaning
- Up to 3.5 hours wall & waterline cleaning

REF	TYPE
07125001	beatbot AquaSense 2

SMART WATER SURFACE PARKING & ONE-TOUCH APP RETRIEVAL

No heavy lifting! AquaSense 2 automatically parks at the surface after cleaning, while SmartDrain™ releases water for easier retrieval. Use the app's "Park" button to call it back anytime when it's at the surface.

DURABLE AUTOMOTIVE-GRADE IMR COATING

Shields your robot from sun, heat, and wear, keeping it looking new while protecting internal components. The no-spray process is safe for both your pool and the environment.

ENHANCED WATERLINE CLEANING WITH DOUBLE-PASS SCRUBBING

AquaSense 2 scrubs the waterline twice per pass for a deeper, more thorough clean, tackling buildup for a spotless finish.

SAFE & CONVENIENT WIRELESS CHARGING, EASY STORAGE

The ergonomic dock provides safe wireless charging and tidy storage. No tangled cords, no exposed ports—reducing water-intrusion risks and fully recharging AquaSense 2 in just 4 hours.

FULL COVERAGE PATH OPTIMIZATION WITH 16 SENSORS

With CleverNav™ advanced navigation, a 4-core CPU, and 16 sensors (including 2 ultrasonic), it optimizes cleaning paths for full coverage, adapts to your pool's shape, and smoothly navigates obstacles.
