Wifi + Bluetooth

BATTERY LIFE
- Up to 11 h surface cleaning
- Up to 5 h floor cleaning
- Up to 5 h wall + waterline cleaning

SKIN-SAFE & ECO-FRIENDLY CLEARWATER™ NATURAL CLARIFICATION

Effortlessly clears dirt, oils, and residue using natural recycled crab-shell agents. Automatically binds fine particles for superior filtration.

5-IN-1 CLEANING: SURFACE, WATERLINE, FLOOR, WALLS, WATER CLARIFICATION

Clean your pool effortlessly from top to bottom, all with one cordless device. The Aquesene 2 pro has 9 motors and an innovative underwater propulsion system.

INCLUDES 3-IN-1 CLARIFIER
- 80 m³ in 6 hours

SMART WATER SURFACE PARKING & ONE-TOUCH APP RETRIEVAL

The robot parks above the water after cleaning, while SmartDrain™ releases water for lighter retrieval. You can also call it back anytime using the app's "Park" button.

UP TO 11 HOURS OF CONTINUOUS SURFACE CLEANING

The 13,400 mAh battery delivers up to 11 hours of surface cleaning and 5 hours of floor/wall cleaning on a single charge, covering pools up to 360 m² without interruption.

FULL COVERAGE PATH OPTIMIZATION WITH 22 SENSORS

With CleverNav™ navigation, a 4-core CPU, and 22 sensors (including 2 ultrasonic), it optimizes cleaning paths and smoothly navigates obstacles like drains, steps, and ladders.
