

BEATBOT AQUASENSE 2 ULTRA

Beatbot

The world's first AI-powered 5-in-1 robotic pool cleaner

| REF | TYPE |
|----------|---------------------------|
| 07125003 | beatbot AquaSense 2 ultra |

RECOMMENDED POOL SIZE (BOTTOM)

360 m²

CLEANING COVERAGE

Surface, floor, walls & waterline

6 CLEANING MODES

Floor, Standard, Pro, ECO, Area & MultiZone

DOUBLE FILTER

150 µm, 4,0 L (outer) / 250 µm, 3,7 L (inner)

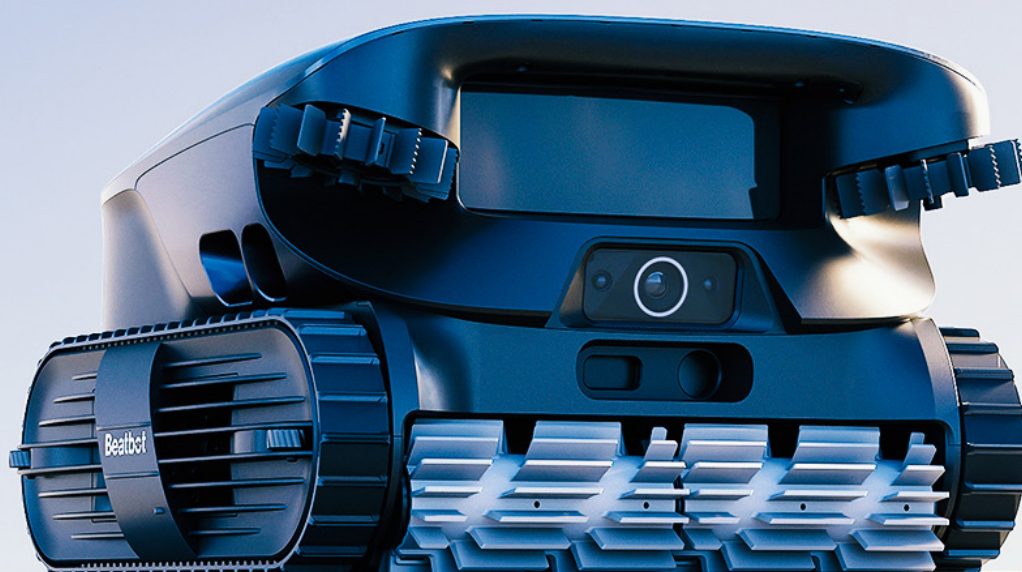

CONNECTIVITY

Wifi + Bluetooth

BATTERY LIFE

- Up to 10 h surface cleaning
- Up to 5 h floor cleaning
- Up to 5 h wall + waterline cleaning
- Battery capacity: 13,400 mAh

INDUSTRY-LEADING CLEANING PRECISION WITH HYBRIDSENSE™ AI VISION

Achieve ultra-precise navigation, obstacle detection and full coverage with HybridSense™, combining an AI camera with dual ToF, infrared and ultrasonic sensors. In the app, you can view the pool map and cleaning route for maximum control.

INCLUDES 3-IN-1 CLARIFIER

- 80 m³ in 6 hours

SKIN-SAFE & ECO-FRIENDLY CLEARWATER™ NATURAL CLARIFICATION

Effortlessly clears dirt, oils, and residue using natural recycled crab-shell agents. Automatically binds fine particles for superior filtration.

ADVANCED AI CRUISE FLOOR DEBRIS DETECTION

After initial cleaning, the robot uses AI cruise to detect and capture remaining debris for a spotless finish.

DUAL SIDE BRUSHES

Capture more floating debris for a deeper clean.
